METROPOLITAN MEN CLUB PREMIER TEAM OF THE SEASON

This team will be announced at the Representative and Club End of Season function. The criteria for selection for this paper team is based on the players' club statistics accumulated over the entire club season.

The team is made up of twelve players selected as a balanced side of opening batsmen, upper-middle order batsmen, all-rounders, spinners and pace bowlers. All categories depend on whether candidates qualify; for example, there may not be a spinner who has done enough to warrant selection.

METRO MATCH RELATED DISPUTES PROCESS

Any complaints or disputes arising out of or in connection with any competition matches shall be made in writing on club letterhead, from the club involved, to Metro **no later than 72 hours** following the occurrence of the matter complained of or disputed. It is, however, the duty of every Captain in the first instance, before making an official complaint, to make every possible endeavour to resolve the matter with his opposing Captain before leaving the field of play in any match.

CLUB CRICKET CONTACT

During each Saturday, a Metro contact (Mike Fisher) will be available and on call to answer any concern regarding Club and Youth cricket.

In the event of a dispute over pitch conditions between the captains in a match without officially-appointed umpires, this official is to be contacted. He will visit the ground in question and his decision will be final.
