- Fast Short Pitched Bowling:**
- ⇒ A bowler shall be limited to two fast short pitched deliveries per over. Any additional fast short pitched deliveries should be called and signaled wide

- Wides:**
- ⇒ Wide calls are subject to the judgment of the umpires. In one day cricket, if a ball passes on the off side sufficiently wide to make it virtually impossible for the striker to play a normal cricket stroke from his normal guard position the umpire shall call and signal wide. If the ball pitches outside leg stump and moves further away to leg the umpire shall call and signal wide. The aim should be that consistency is maintained during the match
 - ⇒ If a wide is scored, one run shall be scored. Any further extra runs shall also be added to the score
